

Seacoast *Hitched Heroes*

Dear Friend,

It is with great excitement & enthusiasm that I invite you to take part in an amazing cause, providing an active Seacoast Military couple with a complimentary wedding. How great is that? We'll be giving one special couple, the best day of their lives as a Thank You for giving us their unconditional service on a daily basis.

Now, we realize, weddings are an expensive venture, so we need all the help we can get from a few amazing sponsors!

Your sponsorship support helps to make this wedding possible. Vendors will be supplying their time and services free of charge to the couple. Any monetary donation you can make will go towards the following:

- *Food & Drinks
- *Promotion & marketing to couples and the public in order to pick this special couple
- *Any additional money raised will go towards a Seacoast Military charity.

For more information on becoming a sponsor, please contact

**Thank you in advance,
The Seacoast Hitched Heroes team!**
